The minutes for the 04/07/10 were not approved as two amendments need to be made.

1. **Clubhouse:** Park and Rec Board approved our proposal. City Council will vote on it 05/11/10 or 05/18/10. Containers will be put out late summer probably August 2010. City will take existing shed for us free and move it out for us. George Haver made a motion to let the city move it for free and clean up the mess. Grace Vaughn seconded it. The motion carried. Barry Markman and George Haver will handle the details with the city regarding this.
2. **DTC May Tournament 05/15-05/16:** Dale Hersch will check with UC Davis next year about date conflicts. Grace Vaughn will send out email for volunteers to help at the tournament and encourage some more sign-ups. Patti Torri volunteered to assist at the check in desk all day Saturday 05/15/10. Dale has a low turn out so far, but will reach out to his high school players.
3. **SATA Tournament at UC Davis:** Kids Day has been changed to Saturday 06/19/10. Carol Teragawa will ask about fundraising and what is needed for lunches at the next UCD Committee meeting on Tuesday 05/04/10. Patti Torri agreed to drop off some fundraiser flyers at the University Retirement Center in Davis, CA. Art Williams reported housing arrangements are going well, but could use more. Chris Dewees will talk to Sue Barnes at UCD about providing transportation for players from housing to courts.
4. **Summer Interclubs:** Carolyn Teragawa spoke to Dale Hersch about what courts are available when, as she is coordinating it all. Summer Camps are 10 weeks long. Patty Nishi will be doing permits with the city for the Summer Leagues and providing the information to SATA. We have to pay a fee to use Walnut Park and we need something in writing that the Davis High School Courts are not available and why. You can sign up and pay online. We talked about general interclub usage rules as we do share the courts with the public. Interclub does need to be polite to the public. We can maybe put up signs and just try to make public aware of matches.
5. **Treasurer Report's** was presented see Chris Dewees if you need a copy.

Meeting was adjourned at 7:40 p.m.
