Yes, I would be interested in helping with special projects.

Davis Tennis Club welcomes tennis players of all ages and ability levels. Established in 1974, DTC is a nonprofit organization run by volunteers and dedicated to providing a high-quality public tennis program based at the Community Park tennis courts. Our board members and teaching pros serve as liaisons with the City of Davis to ensure that the needs of Davis tennis players are met. DTC is also a USTA and SATA member. Your membership includes the requisite insurance for city court usage and eligibility for SATA/USTA adult interclub and junior team tennis. It also provides for the DTC newsletter, as well as supplementing instructional programs and other DTC-sponsored tournaments and social events. Thank you for supporting public court tennis in Davis.
